

UNIVERSAL AP AND ANTENNA ARTICULATING MOUNT V3 - BLACK

ATS-APANTARTMNT-UNIV3-BLK

FEATURES

- Special insert holes for APs that use DART cables
 - Universal design to accommodate different manufacturer APs
 - Maximum horizontal and vertical antenna articulation
 - Includes clear degree markings for precise angling of the antenna
 - Powder-coated finish for indoor or outdoor installation
 - Lengthening arms can be used to acquire maximum articulation or can be removed for a more compact installation
 - Aruba mounting hole pattern has been added to all included mounting plates for better compatibility with newer Aruba APs
 - All-thread mounting bracket has been redesigned to enhance mounting security and safety
- * An AP safety tether is recommended

BENEFITS

- Easy to install
- Versatile compact design
- Variety of mounting options including beam clamps, 3/8" All-Thread, flush-wall or ceiling mount
- Simple, one-person installation
- Future proof - install a new AP or antenna instantly

MOUNT SHIPS WITH

- (2) Beam Clamps
- (1) Long TBAR Mounting plate
