

CONNECT TO A BETTER PRINTING EXPERIENCE WITH **BRADY SCRIPT EMULATOR FOR ZPL***

PROCESS ZPL SCRIPTS WITHOUT THE HEADACHE

The direct link between your scripts and specialized printing

Easily integrate existing files — no rewriting required

Expand your labeling capabilities:

- ▶ Run existing ZPL files on Brady's high-performance printers
- ▶ Eliminate the work of having to re-create label files
- ▶ No need for additional label creation software or printer driver
- ▶ Move beyond paper labels to durable, purpose-built materials
- ▶ Easy printer setup and zero label waste
- ▶ Quick setup utilizing NFC and web browser

BRADY PERFORMANCE, NOW ZPL COMPATIBLE

**Durable,
specialized
materials**
