

Slim Self-Service Stands

For Point of Sale or
Self-Service Application

Flexible & Configurable

2-Year Warranty

Commercial Grade

Product Overview

Elo's Slim Self-Service Stands are available in two configurations - countertop or floor mounted, both help to simplify installation of interactive experiences in public, high-traffic environments. The sleek, space-saving stands are designed to house a touchscreen, a variety of peripherals and a PC is needed in a secure, cable free installation.

By introducing these products into settings where engagement is essential, companies can create a unified approach to any customer experience in point of sale and self-service including applications for endless aisle, price verification, loyalty programs, brand experience, fitting rooms, patient check-in, time clock applications and more. With the Slim stands, you can "stand up" a 15 inch to 22 inch Windows or Android based self-service touchscreen solution with ease, complete with payment capabilities.

Compatible Peripherals

- EMV
- MSR
- Barcode Scanner
- Status Light
- NFC
- Fingerprint Reader
