

Process adapter clamp DIN 32676 series A

ADAPT DIN32676-A DN80

| Application                  |                                                                                                               |                                 |
|------------------------------|---------------------------------------------------------------------------------------------------------------|---------------------------------|
| Design                       | for flow meter SMF                                                                                            |                                 |
| Application                  | food and beverage industry; hygienic systems                                                                  |                                 |
| Pressure rating              | 10 bar                                                                                                        | 1 MPa                           |
| Tests / approvals            |                                                                                                               |                                 |
| Pressure equipment directive | A possible classification to PED depends on the application and has to be carried out by the user / operator. |                                 |
| Safety instructions          | The compatibility between medium and product material has to be checked in all applications.                  |                                 |
| Mechanical data              |                                                                                                               |                                 |
| Weight                       | [g]                                                                                                           | 4130                            |
| Housing                      |                                                                                                               | tubular                         |
| Dimensions                   | [mm]                                                                                                          | Ø 139 / L = 42.9                |
| Material                     |                                                                                                               | stainless steel (1.4404 / 316L) |
| Nominal diameter             |                                                                                                               | DN80 (3")                       |
| Sensor connection            |                                                                                                               | ifm-specific device flange      |
| Process connection           |                                                                                                               | Clamp DIN 32676 series A (ISO)  |

E40495

Process adapter clamp DIN 32676 series A

ADAPT DIN32676-A DN80

|                                                   |                                                                     |
|---------------------------------------------------|---------------------------------------------------------------------|
| Process connection suitable for pipe standard     | (DIN EN 10357 series A); (DIN 11866 series A); (DIN 11850 series 2) |
| Surface characteristics Ra/Rz of the wetted parts | Ra < 0.4 µm                                                         |
| Accessories                                       |                                                                     |
| Items supplied                                    | screws 12                                                           |
| Remarks                                           |                                                                     |
| Pack quantity                                     | 2 pcs.                                                              |
