

Welding adapters EN10357 series C (ASME BPE)

ADAPT EN10357-C DN65

| Application                  |                                                                                                               |         |
|------------------------------|---------------------------------------------------------------------------------------------------------------|---------|
| Design                       | for flow meter SMF                                                                                            |         |
| Application                  | food and beverage industry; hygienic systems                                                                  |         |
| Pressure rating              | 25 bar                                                                                                        | 2.5 MPa |
| Tests / approvals            |                                                                                                               |         |
| Pressure equipment directive | A possible classification to PED depends on the application and has to be carried out by the user / operator. |         |
| Safety instructions          | The compatibility between medium and product material has to be checked in all applications.                  |         |

Welding adapters EN10357 series C (ASME BPE)
