

Thermowell for temperature sensors

THERMOWELL, 10MMx100MM, 1/2NPT

| Application             |                                     |         |
|-------------------------|-------------------------------------|---------|
| Design                  | for temperature sensors EL = 100 mm |         |
| Pressure rating         | 16 bar                              | 1.6 MPa |
| Measuring/setting range |                                     |         |
| Probe length L          | [mm]                                | 72      |
| Mechanical data         |                                     |         |
| Weight                  | [g]                                 | 118.7   |
| Material                | stainless steel (1.4401 / 316)      |         |
| Sensor connection       | 1/2" NPT Ø 10 mm                    |         |
| Process connection      | 1/2" NPT                            |         |
| Remarks                 |                                     |         |
| Pack quantity           | 1 pcs.                              |         |
