DT-156P-B2

15.6" PCAP Touch Monitor

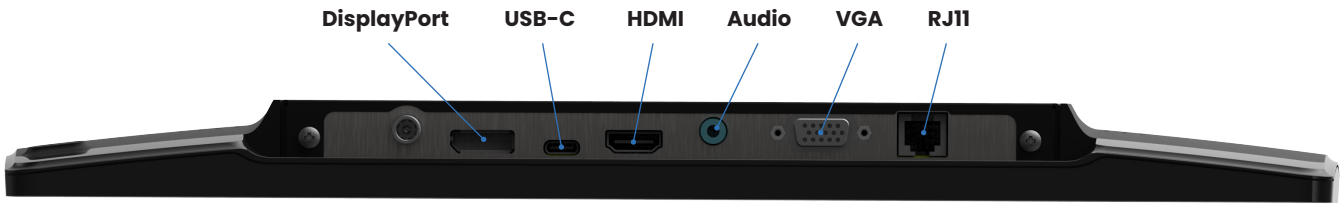

Stand sold separately
Part #SS-156-A1

Description

The ultra-modern, unique zero bezel and modular design of the DT-156P-B2 makes it a one-stop-shop solution with optional peripherals for added functionality. This 10-point touch, projected capacitive, Full HD 1920 x 1080 solution is great for retail point-of-sale or point-of-service with add-on features like 3 track MSR and a 2MP camera – two mounting locations, side and top. The seamless bezel, advanced PCAP technology and rounded aesthetic bridges the gap between daily consumer devices and commercial devices, a step towards commonality and memorable end-user experience.
