

OP-930 SMALL LIVESTOCK CALF SCALE

**OP-900B-SS
Indicator**

**HEAVY-DUTY
METAL CABLES**

WITH WATER-PROOF PROTECTIVE
OUTER COATING

Integrated pull out handles and
wheels for easy portability

Swing doors with latch on both ends

FEATURES

- Carbon steel, low profile scale ideal for weighing hogs, sheep, small cattle and ponies
- Designed specifically for livestock animals moving around or in rugged conditions, meaning livestock can move freely while on the scale but measurements will still be accurate
- Built-in 6" ramps and 35" high side rails
- 4 sturdy rubber feet provide traction and stability
- 2 pull-out handles and 2 integrated wheels for effortless portability and storage
- Handles extend 15" from scale platform to provide leverage and control
- 9.5" solid rubber and ABS wheels are designed to last
- Side rails help contain animals while weighing
- NEMA 4 stainless steel junction box
- Weatherproof option available

OPTIONS/ACCESSORIES

- Indicator Enclosure
- Printer
- Scoreboard
- Display stand
- Software
