

ER-520S

6W HAND MEGAPHONE, SIREN SIG.

Small in size and light in weight, the ER-520S megaphone can be easily carried by a single hand. It can also provide a siren tone. The newly developed polyimide diaphragm is employed to ensure high sound quality.

Key features

Specifications

| Finish | Horn, mouth and handle: ABS resin, red Strap: Teton, black |
| Dimensions | 160 (W) x 256 (H) x 260 (D) mm |
| Weight | 650 g (without batteries) |

*JEITA: Japan electronics and information technology industries association.

Dimensions

<Note on the audible range and battery life>

1. The indications of the audible range and battery life are based on the JEITA Standard*.
2. Audible Range presumes that the megaphone employs new batteries and is used on a quiet street.
It varies depending on such conditions as battery consumption, ambient noise, wind direction and obstacles.
3. Battery Life assumes that megaphone is used for 30 minutes a day.
