

# Caster Kit for CST20AC 20-Device AC Charging Station Tower

MODEL NUMBER: CSTCASTERKIT20

Mounts to Tripp Lite CST20AC charging station tower to allow it to be moved from one room to another.

## Features

### Modify Your Charging Station Tower for Smooth Mobility from Room to Room

This heavy-duty caster set allows you to roll your CST20AC charging station tower from one room to another, rather than mounting it to a wall. The CSTCASTERKIT20 includes four casters (two swiveling) designed for smooth rolling between locations, even through doorways and across carpeting. It also comes with a locking rear door, two handles and a sturdy wood mounting platform with pre-drilled holes for the included mounting hardware.

## Highlights

- Optional caster kit provides your charging station tower with mobility
- 4 heavy-duty casters roll smoothly across level floors and through doorways
- Locking rear door helps protect contents against theft, damage or tampering
- Wooden platform features pre-drilled holes for easy mounting with included hardware
- Designed for CST20AC charging station tower

## Applications

- Turn a charging station tower into a mobile cart that can be rolled from one position to another

## System Requirements

- CST20AC charging station tower

## Package Includes

- (4) Metal casters
- Mounting platform
- (2) Handles
- Locking rear door
- Mounting hardware
- Owner's manual
